Acknowledgment of Country

We acknowledge this land as the Traditional Lands of the Wurundjeri People of the Kulin nation and we pay our respects to all elders past, present and emerging.

We will respect the land, animals and waterways, from the roots of the earth to the tops of the trees.

Thank you for letting us learn and grow on your mother earth. We understand that if we protect and look after the country, then the country will look after us.

School Vision

St Peter's is a faith filled and inclusive community that embraces diversity.
We aspire to engage and empower all to think critically and act justly, guided by our catholic values,
on our journey as lifelong learners.

St Patrick's Cathedral

Our school captains and education & faith leaders will attend the St Patrick's Day mass tomorrow at St Patrick's Cathedral. All schools in Melbourne are represented at the beginning of year mass.

Melbourne Catholic Archdiocese School Visual Arts Competition

Our school community is excited to announce that Pip (2022 Year 6 Student) entered her **self portrait** last year into the Melbourne Archdiocese Catholic Schools visual arts competition.

Pip was awarded first place: Portraiture Prize Winner 2023! Congratulations Pip!

This achievement is wonderful for Pip and her family and displays the depth of curriculum we create for our students to achieve success.

Physical Education

Christine Moore has been our Physical Education teacher during our new chapter at St Peter's. Some of you may be aware that Christine's husband had a heart attack late last year. We are thrilled to share with our community that her husband is recovering well and is enjoying life. As a result of the experience Christine and her husband Bruce, have decided to reset their lives and relocate to Queensland to be closer to her husband's family.

We are very sorry to say goodbye to Mrs Moore and grateful for her contribution to our community, but at the same time supportive of Mrs Moore's decision to be with her family.

We are currently advertising for a Physical Education teacher to replace Mrs Moore in Term 2.

Correct School Shoes

A number of students are not wearing the correct school shoes. I kindly ask that by Monday 20th March all students are wearing black school shoes with their summer uniform. Runners can only be worn on sport days. The correct school uniform is part of our enrollment agreement. Families have had sufficient time to purchase new school shoes for the 2023 school year. Thank you for your support.

School Expo 2024

St Peter's Primary school has experienced massive improvement changes in the last three years and our school enrolments have reflected the community excitement in our changes. We have grown from 260 students to 350 students in three years.

Most recently we have become a school recognised for excellence in STEM and a number of Melbourne schools visiting our school and engaging with Melissa Gatt to unpack how STEM can be embedded in our curriculum.

The 2023 year of the mathematician has achieved praise in recognising the importance of differentiating the way students learn and we teach mathematics.

Challenging and stretching our students in Visual Arts has seen amazing results in 6 pieces of our student Art work displayed in the MACS visual Art expo.

We encourage all our families to share with family, friends and pre school communities the amazing opportunities we offer our students at St Peter's. Prospective families are welcome to come and be part of our school expo and consider being part of our school community moving forward.

Harmony Day / Say No To Bullying Friday 24th March

On this day our school community is encouraged to wear orange or their family traditional dress clothing. It is a time to celebrate Australian multiculturalism, and the successful integration of migrants into our community.

Australia is one of the most successful multicultural countries in the world and we should celebrate this and work to maintain it. Harmony Week is about inclusiveness, respect and belonging for all Australians, regardless of cultural or linguistic background, united by a set of core Australian values.

Orange is the colour chosen to represent Harmony Week. Traditionally, orange signifies social communication and meaningful conversations. It also relates to the freedom of ideas and encouragement of mutual respect. Australians can choose to wear something orange during Harmony Week to show their support for cultural diversity and an inclusive Australia.

Our cultural diversity: Australia is a vibrant and multicultural country — from the oldest continuous culture of our first Australians to the cultures of our newest arrivals from around the world.

Our cultural diversity is one of our greatest strengths and is at the heart of who we are. It makes Australia a great place to live.

An integrated multicultural Australia is an integral part of our national identity. All people who migrate to Australia bring with them some of their own cultural and religious traditions, as well as taking on many new traditions. Collectively, these traditions have enriched our nation.

Say no to Bullying

<https://bullyingnoway.gov.au/>

Bullying is an **ongoing** and **deliberate misuse of power** in relationships through **repeated verbal, physical and/or social behaviour** that intends to cause physical, social and/or psychological harm. It can involve an **individual or a group** misusing their power, or perceived power, over one or more persons who feel unable to stop it from happening. Bullying can happen **in person or online**, via various digital platforms and devices and it can be **obvious** (overt) or **hidden** (covert). Bullying behaviour is repeated, or has the potential to be repeated, over time (for example, through sharing of digital records). Bullying of any form or for any reason can have **immediate, medium and long-term effects** on those involved, including **bystanders**. Single incidents and conflict or fights between equals, whether in person or online, are not defined as bullying.

There is no tolerance for Bullying at St Peter's Epping!

Ensuring that students know how to report bullying can reduce the chance of bullying going unreported or students being reluctant to tell someone. Encouraging students to report bullying helps schools to gain a more accurate picture of bullying in their community and provide help where it is needed.

Kind regards,
Angela Tonkin
Principal

Literacy News

Our middle and senior school students have been practising their writing skills in composing persuasive texts. The teachers have been modelling how to formulate an opinion on different topics and how to think about 2-3 different arguments to support that opinion. Some students have been extended to experiment with rhetorical questions and including facts and statistics to make their arguments even stronger. Here we are spotlighting Samara's (Year 5/6SC) persuasive text.

Learning and Teaching

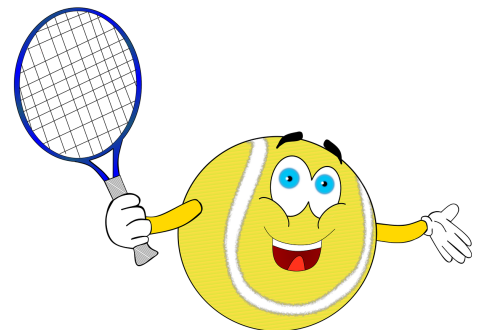

Our students are immersed in the Italian language here at St. Peter's. Last year was our first year studying the Italian language, as we made a change from Japanese. It is so wonderful hearing our teachers and students holding simple conversations and greeting each other in Italian.

We would like to introduce our two new Italian Language curriculum coordinators, Miss. Louise Pantano (Year 1 teacher) and Miss Emma Perri (Year 5/6 teacher). They are so excited to plan a fun and engaging curriculum that focuses on the Italian language and culture.

Interschool Sport News

Last week, our senior students put in another great effort competing against Lalor North Primary School.

The St Peters Bat Tennis Mixed team won their game 15 -14 and our girls put in a strong effort to win 20-8. Our Rounders Mixed team fought hard but lost 0-16. Our girls fought hard but lost 0 - 9. Our cricket team put in great efforts but lost 39 - 56. Both schools showed excellent sportsmanship. Great job seniors! We look forward to our next game against Epping Primary School on Friday 17th March. Go St Peter's!

This week the Archdiocese of Melbourne is celebrating Catholic Education Week (March 12-19).

The week has provided an opportunity for our school to join with all 334 Catholic schools in the Archdiocese to celebrate our distinctive Catholic identity, our achievements, and the role our school plays within our parish and local communities.

The theme for this year's celebrations is **'Forming lives of faith, hope and love in the light of Christ'.**

Celebrating Catholic Education Week at St Peter's:

- Our Year 6 Faith Leaders, School Captains and School Vice Captains will attend the Mass of St Patrick on Friday March 17th. The mass will be celebrated by Archbishop Peter Comensoli and will be followed by the Concert in the Park
- Some of our student art work has been entered into the Creative Arts Exhibition, which showcases the wonderful artwork of primary and secondary students in the Archdiocese of Melbourne.
- Each class is engaging in Catholic Education Week activities and acknowledging the feast day of St Patrick

Lent: Project Compassion

Each week during Lent the students explore local and global issues through the stories of people that Caritas has supported.

In the third week of Lent, the Project Compassion story is of Priscilla, who lives with her husband, Charles, and two of their grandchildren in Zimbabwe. Climate change continues to bring unprecedented challenges for people living in Zimbabwe's most vulnerable and remote communities.

During times of intense drought and food shortages, Priscilla had to commute to the town centre and wait in long queues to collect food.

With the support of Caritas Hwange, Priscilla learnt conservation farming skills to grow drought-resistant crops. Priscilla produced a bumper harvest in her first year of practising conservation farming. She used the funds from her harvest to start poultry farming, which enabled her to sell eggs to pay for her grandchildren's school fees, books and stationery.

Poultry farming provides a safety net for Priscilla and her family during times of hardship, like the current drought.

PRAYER

We pray that all people will have just access to the necessities of life, especially water.
May we, in our support for Project Compassion this Lent, do all we can to become a source of hope for those who thirst.
Amen.

While the situation in Zimbabwe and across eastern Africa remains dire, the work of Caritas Hwange means that Priscilla can learn the techniques, tools and resources she needs to build resilience and support her family during this current food crisis.

Feast Days

St Joseph

This Sunday we celebrate the feast of St Joseph. As I shared with you last week, the month of March is dedicated to St Joseph.

As a family you might like to share a prayer to St Joseph or talk about what you know about him.

Prayer to St Joseph, by Pope Francis

Blessed Joseph,
to us too,
show yourself a father
and guide us in the path of life.
Obtain for us grace,
mercy and courage,
and defend us from every evil.
Amen.

St Patrick

Friday March 17th is St Patrick's Day.

Saint Patrick was born in England, but when he was a teenager, he was captured by Irish pirates who took him to Ireland as a slave. After six years, Saint Patrick escaped and returned to England and his family.

When Saint Patrick became a priest, he traveled to Ireland as a missionary so that he could teach the people about God. He used examples to explain the mysteries of the faith in simple ways. One day, Saint Patrick compared the Trinity to a shamrock. He said that the shamrock has three leaves, but it is only one plant. In the same way, God is three persons—Father, Son, and Holy Spirit—but one God.

God used Saint Patrick's kidnapping to convert the Irish people. In our lives, God uses the bad times to bring about a good we do not always see. We must be patient and trust Him.

Level Parish Masses

Parents, carers and family members are invited to join levels at Parish mass. Level Parish masses are held on **Wednesdays** throughout the school year. Families that are wanting to attend are asked to meet the students and teachers in the church. **Mass begins at 9:15am**
