During the week commencing 30th May 2022, parents will be invited to the school with their child to meet with the Principal, Angela Tonkin. The purpose of this conversation is for the school to gain a better understanding of your child's journey and to provide an opportunity for you as parents to ask any questions you may have in relation to your child starting school.

- During Term 4 teachers will contact the kindergartens / day care centres about your child as part of the transition process.
- During Term 4 children commence their orientation visits to school according to the prep timeline above. Please note your child will be required to attend all three sessions.
