# ST PETER'S PRIMARY SCHOOL

## NEWSLETTER Week 2, Term 3

### Thursday 31st July 2025

#### St Peter's School Improvement Goals

To design and implement a knowledge rich, evidence informed teaching and learning program.  
To strengthen the Catholic identity of the school through a rich coherent learning and teaching program.

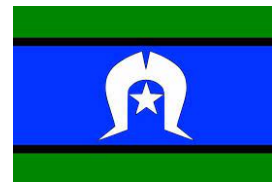

### Sara Brundell: Daughter, Wife, Mother, Teacher, School Leader, Colleague and a Friend

#### Acknowledgment of Country

*We acknowledge this land as the Traditional Lands of the Wurundjeri People of the Kulin nation and we pay our respects to all elders past, present and emerging. We will respect the land, animals and waterways, from the roots of the earth to the tops of the trees.*

*Thank you for letting us learn and grow on your mother earth. We understand that if we protect and look after the country, then the country will look after us.*

## School Vision

St Peter's is a faith filled and inclusive community that embraces diversity.  
We aspire to engage and empower all to think critically and act justly, guided by our catholic values,  
on our journey as lifelong learners.

## Principal Report

This has been one of the most difficult weeks of my professional career leading the school through the grief and loss of a staff member and friend.

I first met Sara Brundell five years ago, at the beginning of my journey as Principal here at St Peter's. At the time, our school was entering a period of change — a time to rebuild and renew our vision as a vibrant place of learning, faith and connection. From the very beginning, Sara stood beside me on that journey. She held tightly to the heart of what made St Peter's special and embraced the new chapter with open arms and unwavering support.

Those who had the privilege of knowing Sara will remember her unmistakable laugh — full of joy, warmth and life. It could lift a room and brighten even the heaviest of days. But even more than that, she had an extraordinary way of caring for others. Whether it was a quiet “You got this?” in passing or a gentle “Are you okay?” During a tough moment, Sara always made time to check in. She genuinely listened without judgement and offered support when needed.

Sara never sought recognition. She simply showed up — every day, with love, dedication, and quiet strength. Whether she was greeting students in the morning or ensuring their safety in the afternoon, Sara's presence was constant and comforting. She assisted students that had friendship problems or was that comforting ear when a child was overwhelmed and needed time to compose. She poured her heart into ensuring that our students' social and emotional wellbeing came first.

Sara was an amazing and generous soul who led with passion, integrity and deep faith. She believed wholeheartedly in this community and gave herself to it with love and dedication. Her impact will be felt for many years to come and her spirit will always remain a part of St Peter's.

Sara will be deeply missed by all the students and staff who had the privilege of knowing her. Personally, I will miss our catch-up chats — the gentle reassurances, the quiet strength she offered and the way she always made space for others, no matter how busy the day.

**Our thoughts and prayers are with her husband Mick, her sons Nathan and Lachlan, and their extended family as they begin to navigate life without her.**

We hold them close in our hearts and pray for comfort, strength and peace in the days ahead. May they feel the love and support of the St Peter's community surrounding them, just as Sara so often surrounded others with her care and kindness.

After Sara's funeral we will share with the school community a memorial plan we have to honour Sara's legacy and ensure her spirit lives on in our school.

### Change in dates

**5th August :** School closure day - Sara Brundell's funeral

**8th August:** School Open - classes as normal

**12th September:** School closure. Teacher Professional Learning

## Children attending the funeral

I've received a few enquiries regarding whether children should attend Sara's funeral. I want to acknowledge how difficult this time is for our whole community and thank you for your ongoing care and sensitivity.

Attendance at the funeral is ultimately a family decision and we respect and support whatever choice you feel is best for your child.

At the recent Mass dedicated to Sara, we observed that some children became quite upset, which is entirely understandable given the emotional weight of the occasion. With this in mind, I encourage families to consider what will be most supportive for their child's wellbeing.

**Please know that the funeral will be live-streamed and we will also provide the option for children accompanied by families to watch the service in the Galilee space rather than attending inside the church, if you feel that may be a more suitable option.**

**Please note on this day families are responsible for the supervision of children.**

***The casket may be confronting for the children.***

**Communion will be offered in the Galilee space by special ministers.**

## Funeral streaming link will be shared when it becomes available.

Sincere thanks to the families who have so kindly offered to donate a morning tea plate for mourners to share after the funeral and to those who are assisting with serving tea and coffee.

Your generosity, compassion and willingness to help during this time are deeply appreciated. Thank you once again for the care and support you continue to show as we navigate this difficult time together.

## Wellbeing Team

At the heart of our school community is a strong commitment to wellbeing especially through difficult times. Continuing the legacy of Mrs Brundell, our leadership team will continue to provide care and guidance throughout the year by prioritising both student and family support.

Mrs Torcaso, Mrs Whitbread and Ms McHardy are available to assist with any wellbeing needs for students and families and are dedicated to fostering a supportive and inclusive environment for all. Listed below are their email addresses should you wish to contact any of the leaders or please call the school office to arrange a time to meet. We will share this information with our students at our next assembly.

Dear Mrs Tonkin

Angela,

On behalf of your colleagues at Melbourne Archdiocese Catholic Schools, please accept my heartfelt condolences on the sudden passing of your friend and staff member, Sara Brundell. I was deeply saddened to hear of this loss.

I understand from my Office colleagues that Sara was a faith-filled teacher who embodied the mission of Catholic education and touched many lives within your community. Please know that our thoughts and prayers are with the entire St Peter's school community at this time.

May you find comfort in the support of one another and in the memories you share of Sara.

With deepest sympathy,

Yours sincerely

Dr Edward Simons

# NAPLAN results - Congratulations

Celebrating our NAPLAN Growth

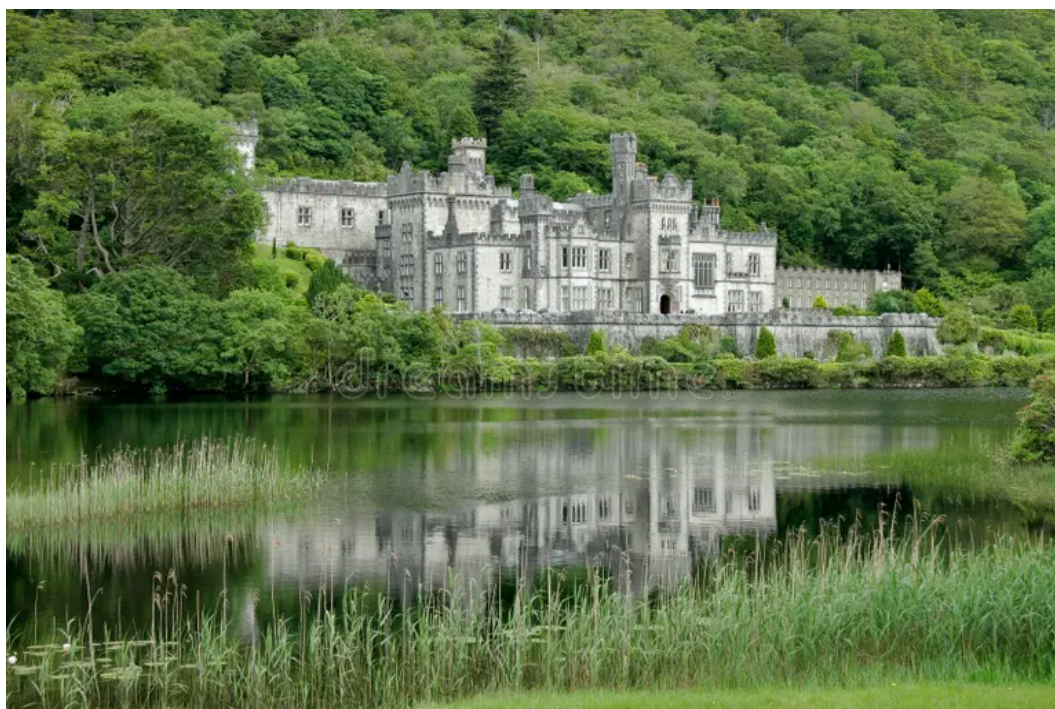

It is with great pride that I share the significant growth our school has achieved in this year's NAPLAN results.

This success is a testament to the hard work of our students and teachers, our commitment to targeted teaching and a strong focus on knowing each student's strengths and challenges.

While NAPLAN provides a snapshot of student progress, we take a broader view of achievement. Through the triangulation of data—classroom assessments, formative feedback and standardized testing—we gain a comprehensive understanding of student growth and learning.

Thank you to our dedicated staff and engaged families for supporting our learners every step of the way.

## Pilgrimage to Ireland

We are excited to share that our Deputy Principal, Daniela Torcaso will be participating in a special pilgrimage experience alongside 30 educators from Melbourne Archdiocese Catholic Schools (MACS).

A highlight of this formation program is a 13-day international pilgrimage to Ireland during the Term 3 school break. **This immersive journey will explore the themes of discipleship, Christian leadership and evangelisation, while honouring the legacy of Irish saints and religious orders who played a pivotal role in shaping Catholic education in Melbourne.**

We wish Daniela a faith-filled and inspiring experience.

To empower students to learn

To build teacher pedagogical practices

To strengthen partnerships with families and the wider community

## Book Week

Book Week is not too far away! Our school will be celebrating Book Week from the 18th - 22nd of August, and this year's theme will be Book an Adventure. Book Week is always a highlight on the school calendar and we have many fun activities planned for the students to enjoy.

The Grade Prep, 1 and 2 children will enjoy a visit from a children's theatre company during this week, and the Year 3-6 students will have a children's author/illustrator visit their classes to give tips on writing and illustrating stories.

We will once again welcome the Scholastic Book fair to our school during Book Week, with opening times to be advised closer to the actual date. We encourage families to visit the Book Fair and make purchases with their children, as the school Library receives a commission on every book sold. So not only does your child walk away with a selection of books, but we are also able to purchase more books for them to borrow during Library time. In the past, we have had some very creative costumes for our Book Parade, which will be held on the final day of Book Week. There will be prizes for the best dressed from each class, so start planning your costumes early! Your child may wish to come dressed as a favourite book character or as something to do with the Book Week theme.

More details and reminders will follow in the coming weeks.

# ONE STEP AT A TIME PROGRAM: PARENT SUPPORT FOR CHILDHOOD ANXIETY

## Swinburne Psychology Clinic

### Parents / guardians:

Do you have a primary school-aged child experiencing symptoms of anxiety?

Clinicians at Swinburne University have developed a program to help parents manage childhood anxiety in children aged 6-11 years.

Does your child experience any of the following?

- Difficulties sleeping at night due to worries
- Fears and phobias
- Difficulty separating from you or worrying about parental safety
- Trouble sleeping alone in their bed
- Fear of the dark
- Scared of lifts, trains, and people
- Fear of dogs and other animals
- Excessive worry and constant reassurance seeking
- Fear of germs and other health problems

The One Step at a Time Program involves:

- Comprehensive psychological assessment of your child's anxiety
- Seven sessions of online counselling through video conferencing
- Parent-focused cognitive behavioral therapy (CBT) skills to help you manage and support your child's anxiety
- Two combined parent-child sessions
- Reflective parenting strategies
- Access to a website with self-help materials to supplement therapy.

### Cost

\$20 per session/assessment.

Treatment consists of seven therapy sessions plus one assessment session.
