

# St Peter's Primary School, Epping

Dear 2023 Prep Families,

We are so pleased that you have chosen St Peter's for your child's primary school educational journey. When you enrol a child at our school you enrol the whole family. Our inclusive community ensures each person feels welcomed and valued.

**The 2023 year is filled with possibilities and hope.**

We will explore Education and Faith through an Inquiry based approach. We will encourage students to ask questions and share their wonderings to help make sense of their faith tradition in our world today. Students will make connections between their life as a person of faith and their everyday experiences. They will share in dialogue to deepen their understanding of what it means to be a follower of Christ in the Catholic Church Community or another faith tradition to which they belong.

**Every student will achieve success at St Peter's, Epping.**

Each student is unique and it is our commitment to build teacher capacity to enhance the growth of the whole person. Student wellbeing is at the heart of everything that we do. Walking through our contemporary learning spaces visitors will see engaged students working in class groups and smaller focused groups. We will have a number of intervention and extension opportunities that ensure our students are always stretched and challenged in their learning journey. Our Physical Education, Visual Arts and Science Technology, Engineering and Math (STEM) subjects each week will continue to be a highlight. Our beautiful new library will ensure the students have opportunities to engage in different types of literature and grow in their literacy capacity.

I look forward to meeting you all individually and building a partnership with you as together we educate the young leaders of our future. My door is always open for a conversation, please come and introduce yourself. We encourage you to join St Peter's Epping Primary School on Facebook for regular updates and weekly checks on our **school website** for updates.

Welcome to St Peter's, Epping

Kindest regards,

Angela Tonkin

Principal
